

# Difficulty collecting debt abroad? Our experts can help...

## World's Leading Debt Collection Partnership

*The “International Credit Exchange (ICE) was founded by CCICM in 2015 is the leading, largest and most compliant Partnership of agencies globally and is at the forefront of international commercial and consumer collections.”*

Our clients are multi-nationals, lenders, governments, major healthcare and Higher Education providers, public utilities and many SMB/E's. They all choose ICE as a business partner because we offer the best value for our exceptional service.

We have access to **partners in 130 countries** globally working on effective collections, tracing and litigation ensuring distance, language and time-zones are no longer a barrier. Every one of our agents is managed through a robust due diligence process and are continually monitored on performance.

Working with one of our ICE partners ensures you the **best value**, with **no set up charge** and a **no-win no-fee** pricing model. Our agents have the freedom to negotiate highly competitive commission rates therefore you are guaranteed the most cost effective solution.

### *Our pricing model:*

- All overseas, pre-legal, recovery costs are charged on a 'no-win no-fee' basis to clients
- No client set up charge

### *Key Benefits:*

- Access to offices in 130 countries
- Exclusively partnered with the best in-country agencies.
- Guaranteed excellence with our partner selection - through due diligence, auditing and performance monitoring.
- Every partner works through a centralized portal with fully compliant policies and processes.
- Our ISO27001 and ISO9001 accredited systems safeguard confidential data

### *Our Services*

We offer an array of services:

- Collections - International & Domestic, Commercial & Consumer
- Justice - Litigation, Funding, Arbitration and Mediation
- Enforcement
- Investigations, Tracing, Asset Searches & Recovery
- Re-Marketing
- Credit Reports
- Insolvency

### *Compliance*

We never compromise when it comes to compliance. All ICE processes are ISO27001 and ISO9001 accredited. We are also Cyber Essentials Plus accredited, representing the highest sector standards. Those standards in conjunction with our agents ensure we are one of the most respected bodies worldwide and ensures that every element of ICE embraces '**Best Practice**' in every part of our service delivery.

### *History of ICE:*

- ICE was created in 2015 to address the specific needs of the worldwide Financial Services sector as well as the private and public sectors. CCICM recognize the need for a highly regulated and internationally compliant network to meet and exceed the expectations of these very demanding sectors. ICE delivers uniformed standards of the highest quality to all sectors and clients globally. ICE offers synergies and mutually beneficial services all of which support collecting your unpaid accounts.
